

ATTENTION PARENTS:

It is Winter Carnival Time! February 22nd from 6-9 pm!

Please mark your calendars!

We are now actively looking for any silent auction items that you may want to donate, or perhaps you would like to become a sponsor?

Silent Auction items are necessary as they are the primary fundraiser of the evening. So...do you:

- Have a new gift leftover from the holidays that you would like a new home for?
- Own a business and would like some publicity?
- Have a friend with a business that would like some publicity?
- Have season tickets to something that you could donate?
- Have a new product or service you would like to promote?

Sponsorships are another way to help out!

If this is a fundraiser then why ask for sponsorships?

Well, it takes money to make money! Additionally, food sponsorships are especially difficult this time of year and we could really use the help! Even if you are unable to attend a silent auction donation or a sponsorship is a great way to help!

Attached are the forms for both silent auction donations and sponsorships. We will advertise as much or as little as you would like with your donation!

THANK YOU FOR YOUR CONSIDERATION!

Examples are listed on the back for your information and for great ideas! Items can be delivered to the school or picked up by your personal concierges (that would be us!). Please contact Emily Johnson at emilyjohnson21@comcast.net or Kelly Isley at kisley@banc-serv.com with any questions or concerns!
